

Mask Mandate

Parental Refusal to Consent Form

To Whom It May Concern:

I, _____ (Parent's name) am providing to you this notice, on behalf of my child, _____ (Child's Name) regarding mask wearing. Forcing children to wear masks, or similarly forcing use of any other non-FDA approved medical product without the child's or the child's parental consent, is illegal.

Mask use for viral transmission prevention is authorized for Emergency Use only.ⁱ Emergency Use Authorization by the FDA means "the products are investigational and experimental" only.ⁱⁱ ***The statute granting the FDA the power to authorize a medical product of emergency use requires that the person being administered the unapproved product be advised of his or her right to refuse administration of the product.***ⁱⁱⁱ This statute further recognizes the well-settled doctrine that medical experiments, or "clinical research," may not be performed on human subjects ***without the express, informed consent of the individual receiving treatment.***^{iv}

As a parent, this letter serves as official notice that **I do not give consent for my child, _____ (Child's Name), to be subjected to the mandatory use of an experimental medical procedure** (i.e., mask wearing for prevention of transmission of a virus) that is proven to not prevent the spread of Covid-19 and may potentially cause harm.

This non-consent form acts as a demand notification that no further pressure will be exerted upon _____ (Child's Name) to follow this illegal mask mandate, and that _____ (Child's Name) will not face any retaliatory disciplinary action for such refusal.
